# Overview

---

Pala Pakarti Lawfirm is a law firm that is oriented towards alignment and committed to being a strategic partner for our clients. We provide innovative, strategic, and measurable legal solutions with a focus on dispute resolution, corporate and transactional law, and governance and policy. With a creative and results-based approach, we ensure that each of our services is able to support the sustainability and growth of our clients' businesses.

Our philosophy, "Your Rights is Our Priority", reflects our dedication to putting our clients' interests as our top priority. Supported by a team of certified advocates and legal consultants with extensive experience in various industries, we are ready to answer complex legal needs with efficiency and professionalism equivalent to international law firms, but still in accordance with the legal system in force in Indonesia.

As a firm that understands the dynamics of the business world, we not only handle legal issues, but also help clients manage risks, comply with regulations, and take advantage of strategic opportunities to create added value. Our legal service fees are designed to be competitive, providing the best value without sacrificing the quality of the results. With in-depth expertise in litigation, corporate law, mergers & acquisitions, industrial relations, and business restructuring, Palapakarti is a trusted legal partner committed to supporting client success, both domestically and internationally.

## Vision

To be a trusted legal partner that provides strategic and sustainable solutions for clients.

## Mission

1. Providing superior legal services that focus on client needs.
2. Providing effective, efficient, and innovative legal solutions.
3. Upholding professionalism, integrity, and confidentiality in every service.

# Area of Services

---

## Litigation Dispute Resolution

Pala Pakarti Legal Team offers strategic and practical analysis for the legal interests of clients by minimizing legal risks. We provide services that include:

- Filing, negotiation, mediation, and litigation in court.
- Civil dispute resolution: covering disputes in banking, financing, land, construction, manufacturing, and natural resources.
- Administrative disputes: handling cases in the State Administrative Court.
- Bankruptcy and debt restructuring: helping creditors or debtors deal with default situations.
- Criminal cases: providing strategic legal assistance to protect the rights of clients, both as reporters and reported parties in all stages of the legal process.

## Non-Litigation Legal Assistance

Pala Pakarti Legal Team supports domestic and international clients to establish, manage, and develop businesses in Indonesia. We provide services including:

- Negotiation and contract drafting: covering agreements, investments, cooperation, sales and purchases, etc.
- Company establishment & licensing: managing the legal structure and required licenses.
- Legal due diligence: helping clients understand the legal risks associated with business activities.
- Mergers & Acquisitions: providing legal assistance in all stages of a transaction, from pre-transaction to post-transaction.
- Employment: handling employment agreements, industrial relations dispute resolution, and other administrative needs.
- Restructuring and debt collection: collection efforts through legal mechanisms by prioritizing negotiation, up to a warning letter and further legal efforts in the form of execution of creditor assets by the court.

## Corporate In-House Lawyer

We provide corporate retainer services, to oversee the company's growth and compliance with applicable laws. The legal services we can provide are;

- **Legal Administration**

We provide the files needed by the company to support the smooth running of business activities, including; company legality, permits, licenses and others

- **Legal Drafting**

We help compile and provide documents needed by the Company, including; cooperation agreements, SOPs, and others.

- **Legal Opinion**

We provide legal opinions to companies in carrying out business activities, covering certain legal issues and actions to be taken by the company.

- **Legal Due Dilligent**

We conduct legal examinations of the company's files and business activities, as a form of caution in doing business.

- **Legal Assistance**

We provide assistance for business activities carried out by the company from start to finish, so that they are in accordance with applicable laws.

# Our Team

# Risang Cahya Yudhantara, S.H.

---

## Managing Partner

Land Law, Banking & Finance,  
Dispute Resolution,  
Intellectual Property Right

Risang Cahya Yudhantara, S.H. is the Managing Partner of Pala Pakarti and is recognized as one of Indonesia's most incisive practitioners in land law. With over five years of dedicated experience, he has handled a wide range of high-stakes land-related matters, from complex ownership disputes and conflicts involving state land rights to large-scale land acquisitions for strategic infrastructure development. His sharp legal insight and meticulous case analysis, combined with his command of Indonesia's agrarian legal framework, position him as a highly reliable advisor in both litigation and regulatory planning in the field of land law. He is also widely regarded as an effective and strategic negotiator, with a proven ability to resolve conflicts involving multiple stakeholders—corporate, individual, and governmental.

An alumnus of the Faculty of Law at Universitas Islam Indonesia and a member of PERADI, Risang employs a precise legal approach that remains attuned to client objectives, particularly in the contexts of property investment, land-based financing, and spatial development planning. Under his leadership, Pala Pakarti has grown into a law firm known for its depth of legal analysis in land and financial matters. Risang plays a central role in ensuring that all legal services are not only compliant with statutory and regulatory frameworks but are also aligned with clients' business interests and long-term legal certainty.
